FIRST REUNION

*Warrior*

Twenty-Second Iowa Regiment

AT IOWA CITY SEPT. 22 AND 23.

OFFICE OF THE SECRETARY,  
IOWA CITY, August 13th, 1886.

*Comrade:*

On Sept. 24th, last, a few survivors of the old Twenty-Second Regiment met at Iowa City, and decided to hold the First General Reunion of the Regiment on September 22d and 23d, 1886, at Iowa City, and organized a Regimental Association at that time, with the following officers to carry out the object of the meeting:

President, J. C. Shrader, H.  
1st Vice President, J. Walter Lee, F.  
2d Vice President, J. S. Wilson, B.  
3d Vice President, W. K. Saxton, I.  
Corresponding Secretary, Thomas Allum, C.  
Recording Secretary, J. C. Switzer, A.  
Treasurer, F. Novak, B.

I need not add that Iowa City, the birthplace of the Regiment, is anxious to see together again their famous Battalion, and joining hands with Johnson County, which gave in this Regiment seven companies of her young and loyal sons to the defence of the nation, will give you a most royal welcome.

You need no invitation and no credentials beyond the fact that you were a member of the Regiment. The tent doors of the Reunion Camp are wide open to you; the camp fires of the garrison are only beacons to light you on to headquarters, and the hearts and homes of the people of the city and county are open to you, and bid you welcome. Come then if you possibly can.

The present intention of the executive committee is to furnish free entertainment, (board and lodging,) to all members of the Regiment during the two days of the reunion, and while this is a departure from the old custom at reunions, of allowing comrades to provide for themselves, and measurably an experiment, we have the utmost confidence in making this reunion a grand success in this direction, and an initiatory step to exalting the rapidly diminishing numbers of the nation's defenders, at future reunions, to the place of the honored guests of the people who delight to so honor them.

The railroads of Iowa will give you reduced rates on returning at one third fare, *but you must obtain a certificate from the agent*

when you buy your ticket to come here, that you are coming to the Reunion, or will be held to pay full fare returning. Take due notice of this.

Please notify the Secretary, J. C. Switzer, at Iowa City, whether you expect to attend the Reunion or not as soon after receipt of this as you can, that we may be fully prepared to welcome you and provide for your comfort and enjoyment.

Finally, Comrade, the Secretaries have been at work dilligently since last September, in procuring the correct names and post-offices of the survivors with all effort possible, but believe there are a number of those living whose addresses we cannot find. Below is a list of those not known to us to be dead, as complete as we could get it, together with the post-offices as we have received them.

Will you kindly look it all over carefully, especially as to your company, mark in the address of any you may know, mark any known to be dead, and return the list to the Secretary at Iowa City at once, so that all may be reached. We want to reach every man. If you desire to keep this list, and so signify, it will be preserved for you until you come or sent to you if you do not. We hope, however, to print a more complete list with the proceedings of the Reunion, which, if printed, will be in better shape for preservation.

Lastly, comrade, we want to grasp your hand at this our first Reunion, look again into the now dimming, but erst while keen eye whose rapid squint along the barrel of the glistening Enfield wrought such havoc among the brave but mistaken defenders of the "lost cause," and hear again that voice whose friendly warning we were wont to heed when, in battle front with faces blanched, above the roar of battle, the "ping" of minnie, and the scream of shot and shell we heard it shout, "*Grab a root!*"

No attempt has been made to report the correct rank in this list. If any officer finds himself reduced to the ranks let him remember that it will be the endeavor of the committee in charge to bring the "high private in the rear rank" to the front at our Reunion and place him in command of all the enjoyment that he will be able to control.

It is so commanded and the order shall be obeyed.

Faternally,

J. C. SWITZER, Rec. Sec'y.

THOS. ALLUM, Cor. Sec'y.

## TRANSPORTATION NOTICE.

---

Reduced rates have been obtained over all railroads in Iowa for our Reunion, and comrades and persons desirous of attending and participating *must* observe the following instructions in order to avail themselves of the reduced rate. Those residing out of the State of Iowa will purchase tickets to their nearest railroad station in Iowa, then purchase full fare tickets from starting point in Iowa to Iowa City. On all Railroads not running directly through Iowa City, purchase LOCAL tickets to *Junction points only* and procure from Ticket Agent receipt for each ticket purchased, showing that full fare has been paid. When the Secretary of the Convention has also certified that the holder has been in attendance, the ticket agent at the point where the meeting is held, will, on surrender of each certificate, sell the delegate a return ticket at *one-third the regular unlimited rate*, via route as traveled going to the Reunion. Certificates are placed regularly at all ticket offices and can be procured on application.

Show this circular to ticket agents.

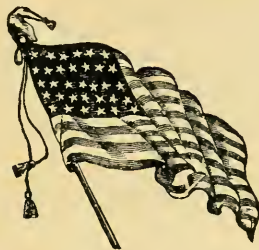

GEO. W. KOONTZ,

Chairman Committee on Transportation.
